Dear Professor Curtu,

as you have been already informed, on 3 November the General Assembly of ENAAEE has unanimously approved the recommendation by the Administrative Council and accepted ARACIS as Full Member of ENAAEE.

I am personally very pleased of this decision, also because a Romanian Association (namely UAICR) was among the ENAAEE founding members, and I felt that it was high time for ENAAEE to count again on a Romanian member.

I also see ARACIS's membership of ENAAEE as a good omen for the success of the efforts towards including ARACIS and Romania into the EUR-ACE system.

I hope in positive developments of the EUR-ACE SPREAD project in this direction, and look very much forward to a forthcoming new visit of the "mentors" to Romania.

In the meantime, I send to you and all ARACIS friends my best regards,
