Subject: ARACIS re-authorisation to award the EUR-ACE® Label (Bachelor)

Dear Sir, Dear Madam,

At its meeting of 27 November 2025 the EUR ACE Label Committee considered the letter 30th June 2025 of ARACIS giving report on the training session for experts evaluators which was organized according to the EUR ACE label criteria and on a new methodology established for external evaluation of the quality of higher education.

It is my pleasure to inform you that the ENAAEE Administrative Council, based on the positive recommendation of the EUR ACE Label Committee, at its meeting of 17th December 2025 decided that all requirements are now fulfilled. This means that the authorisation is extended to the 31st December of the fifth year following the original AC decision, thus until 31 December 2027.

Attached is the EUR-ACE® Certificate for 5 years' authorisation.

All authorisations are subject to the agency not modifying substantially its accreditation standards and procedure. The agency is requested to inform ENAAEE of such changes as well as of important changes in the institutional context in which it is operating.

ENAAEE is happy to assist in activities to support your Agency's activities to promote the EUR-ACE® label.

Yours sincerely,

José Carlos Quadrado
President of ENAAEE
